Get Back in the Game of Life With Personalized Rehabilitation Programs

RESULTS-DRIVEN REHAB
To meet the unique needs of our patients, the McGuire Rehabilitation Centers feature state-of-the-art units designed specifically for full-scale Subacute and Orthopedic rehabilitation and recovery. Our experience in the Subacute arena spans two decades, with an average of 4,000 patients per year trusting us to manage their rehabilitation and healing. If you are pre-planning a rehabilitative stay, we encourage you to visit our facilities, speak with your doctor and request a WRITTEN ORDER to The McGuire Group.

REHABILITATION SERVICES
While staying at a McGuire Rehabilitation Center, you will be cared for by physicians, registered nurses and rehabilitation personnel who specialize in physical medicine, rehabilitation and complex medical conditions. Our services include:

- Physical and Occupational Therapy Tailored to Individual Needs
- The ability to Schedule Your Rehabilitation Right Along with Your Surgery
- Therapy Up to 7 Days a Week
- Hip, Knee, Post-Surgery and Cardiac Care
- More than 140 Therapy Professionals on Staff
- Activities of Daily Living Training
- Simulated Work Exercise
- Stair, Ramp and Curb Training
- Automobile Transfer Training
- Pain Management
- Intravenous Antibiotics
- Electrical Stimulation for Wound Healing

TOP-OF-THE-LINE SERVICES
Our Rehabilitation programs utilize a variety of tools including: recumbent bikes, treadmills, weight lifting equipment, parallel bars, pulley systems, electric stimulation equipment, whirlpool baths, ultrasound and CPM machines. Full-scale ADL (Activities of Daily Living) Suites also feature modules for specialized training in kitchen, bedroom, bathroom and laundry settings. These environments allow you to learn techniques that will help you be successful and self-sufficient upon returning home.

CONTINUITY OF CARE
Continuity of care is of the utmost importance to the health of our residents and patients. We’re pleased to have community partnerships with outstanding regional providers including: BLT Medical Partners, Buffalo Medical Group, Highgate Medical Group, Infinity Medical of WNY, Landmark Health and Western New York Medical PC.

SPECIALIZED WOUND CARE
We are pleased to have a unique affiliation with Dr. Corstiaan Brass and the Center for Skin Integrity. This includes comprehensive wound care treatment and management of coexisting medical conditions such as diabetes, poor circulation or vascular disease.

OUTPATIENT CARE
The McGuire Rehabilitation Centers also offer Outpatient Rehabilitation services for continued healing after discharge. These specialized programs facilitate continuity of care while you safely adjust to life at home.

RECOGNITIONS ★★★★★

The McGuire Group facilities continuously receive outstanding star ratings from the federal government which rates every nursing home in the country.

In addition, for the past 5 years the New York State Department of Health has issued a Nursing Home Quality Initiative that evaluates nearly 600 facilities based on performance. The McGuire Group’s facilities are among an elite list of facilities statewide that have achieved the top quintile status for 5 out of 5 years, with The McGuire Group being the only multi-facility provider in the state to have achieved this milestone.

ADMISSIONS

Prior to admission, our trained professionals will meet with you and/or your family to complete a pre-admission assessment form. This information will assist our clinical team in determining if the services we provide are appropriate to meet your needs. Once admission is confirmed, we will work closely with your Physician and/or the hospital Discharge Planner to coordinate a seamless arrival.
