

VISITATION GUIDELINES

WHEN VISITATION BEGINS, HOURS ARE BY APPOINTMENT ONLY. Visits will be scheduled in intervals. Please contact the facility for more information.

- Visitors are screened for signs and symptoms of COVID-19 prior to resident access and visitation will be refused if the individual(s) exhibits any COVID-19 symptoms or do not pass the screening questions.
- Screening shall consist of both temperature checks and asking screening questions to assess potential exposure to COVID-19 which shall include questions regarding international travel or travel to other states designated under the Commissioner's travel advisory.
- Documentation must include the following for each visitor to the nursing home: first and last name of the visitor; physical (street) address of the visitor; daytime and evening telephone number; date and time of visit; and email address, if available.
- Limited visitation, including, but not limited to, family members, loved ones, representatives from the long-term care ombudsman program (LTCOP).
- No more than 10 percent (10%) of the residents shall have visitors at any one time and only two visitors will be allowed per resident at any one time.
- At this time, visitation is strictly prohibited in resident rooms or care areas with the exception of parents and immediate family members visiting a pediatric resident (up to age 21) on a dedicated pediatric unit/wing when such room is only occupied by the child receiving a visit.
- Visitation should be limited to outdoor areas, weather permitting. Under certain limited circumstances, as defined by the facility, visitation can be inside, in a well-ventilated space with no more than 10 individuals who are appropriately socially distanced and wearing a facemask or face covering while in the presence of others.
- Visitors under the age of 18 must be accompanied by an adult 18 years of age or older.
- Visitors must wear a face mask or face covering which covers both the nose and mouth at all times when on the premises of the Nursing Home/Adult Care Facility.
- Visitors must maintain social distancing from their loved one and all other residents except when assisting with wheelchair mobility.
- Facilities will provide alcohol-based hand rub, consisting of at least 60 percent (60%) alcohol, to residents, visitors and representatives of the long-term care ombudsman prior to visiting the residents. Rub hands together using friction.
- A copy of the NH's/ACF's formal visitation plan is posted on the website.
- The staff is required to monitor the visitation process. If any visitor fails to adhere to the protocol, he/she/they will be prohibited from visiting for the duration of the COVID-19 state declared public health emergency.
